

Dispensing of Medication Procedures

I. Parental Procedures and Responsibilities

The parent/guardian **must**:

1. Complete the *Permission To Dispense Medication/Waiver and Release of All Claims* form;
2. Complete and sign the *Medication Dispensing Information* form;
3. Deliver all medication to the township office in the original prescription bottle or in clearly marked containers which include the person's name, medication, dosage, and time of day medication is to be given;
4. Verbally communicate with township staff regarding specific instructions for medication.

II. Staff Medication Dispensing Procedures

Township program staff **must**:

1. Ensure that the Permission and Waiver to Dispense Medication Form and Medication and Dispensing Information Form are fully completed and signed by the parent/ guardian prior to the dispensing of any medication;
2. Ensure that only authorized staff accept medication which may include the executive director, the teen center director or other designated staff;
3. Verbally communicate with the parent or guardian regarding any specific instructions regarding the dispensing or storage of the medication. It is also the responsibility of the authorized staff who receive medication to properly store medication in a locking cabinet or in a refrigerator as needed. **It is extremely important that stored medication is out of the reach of other patrons and particularly children.**
4. Obtain copies of all waivers, internal procedures, medical information forms, and medication logs when obtaining the prescription medication to be transported to the program site. All medication stored at a program site must be secured and only available to authorized program staff.
5. Program coordinators responsible for dispensing medication must strictly follow all written instructions on the medical information form, individual dose envelopes, and any information contained on original prescription container labels. In the event that conflicting dispensing information exists, medication should not be administered until the parent, guardian, or physician are reached by phone to obtain specific instructions.
6. Unless otherwise arranged, only paid and trained township staff will be allowed to dispense medication.
7. Township staff responsible for dispensing medication will fully complete the medication information contained on the medication log form. Medication dispensing logs should be completed until medication dispensing has ceased and completed medication logs should be turned into the township's office and kept in a permanent file for at least three (3) years at the conclusion of the program.
